Promise #10:

I Will Strengthen Your Hand in God

I Samuel 23:16

*“And Jonathan, Saul’s son, arose and went to David
and strengthened his hand in God.”*

All the covenants we are examining had the same result and that was to make the receiver strong in the Lord.

In I Samuel 18:3 we read, “Then Jonathan and David made a covenant because he loved him as his own soul.” In I Samuel 20:16 we read, “So Jonathan made a covenant with the house of David.”

In I Samuel 20:42 we read, “And Jonathan said to David, ‘Go in peace, since we have both sworn in the name of the Lord...’”

In I Samuel 23:18, we read, “And they two made a covenant before the LORD. And David stayed in the woods and Jonathan went to his own house.” The covenants required a seeker after the other’s good.

In giving you this *David and Jonathan Covenant Award* we are saying we will seek your good. We do not intend to make a baby out of you but rather one who is strong in the Lord. ***God is on your side.***
